

# Casement & Awning Windows

Imperial LS casement and awning windows define a special look and feel for your home.

These window styles allow you to catch fresh breezes, or open them for easy cleaning, simply with the turn of a handle. Whether in multiple-window configurations or as individual windows, casements and awnings offer you many aesthetic choices so you can design them to match your home's décor perfectly.

Our easy-to-use, durable crank handle and hardware assures that you will be able to open and close your casement and awning windows with ease, so that you can enjoy beautiful days and evenings in style and comfort. The low-profile, fold-down design of our handles also provides a beautiful, unobtrusive look for the interior and exterior of your home.

A single lever lock that activates multiple locking points ensures these window styles are exceptionally secure and energy efficient as well. Casements open out to the side, while awning windows are top-hinged and open out at the bottom.
